### Black and white

- ❖ Used on Custom flat ribbons, rosettes, cloth covered buttons.
  - Black and white artwork should have clean, sharp, crisp and **solid black** lines on a **white background**.
  - There should not be any shadows, gray, colored or shaded areas.
  - Type must be clean and sharp.
  - Artwork that has less detail will print better.

We accept the following file types: JPEG, TIF, PDF, EPS and GIF.

### Multicolor logos/designs

- ❖ Used on plastic coated buttons (2-1/4" only).
  - Artwork must be clean, sharp and crisp.
  - Artwork should be as close to size (2-1/4" round) as possible to avoid distortion.
  - Designs that are too blurry will need to be recreated.

We accept the following file types: JPEG, TIF, PDF, EPS or GIF

### Submitting photos

- ❖ Used on plastic coated buttons (2-1/4" only).
  - Photo should be clean and sharp. Blurry photos will not turn out good.
  - Send high quality, high resolution photos with at least 300DPI.
  - Please do not crop the photos.
    - It is easier to let us crop your photos and setup the photo to best fit the product.

We accept the following file types: JPEG, TIF, PDF, EPS and GIF.

**If artwork doesn't meet the above standards or is sent in a file other than listed, additional art charges may apply.**
